15. Multidisciplinary / interdisciplinary

Pandu College is affiliated to Gauhati University. Therefore, it has to follow the road map or guidelines prepared and provided by the affiliating university and the state government. As such, the college is dependent on the affiliating university for innovative and flexible curriculum. As and when the university prepares or provides a curriculum to implement the multidisciplinary/interdisciplinary structure of New Education Policy, the college will abide by it.

At present, the college provides an effective learning platform for students by broadening the horizons of education beyond their subject knowledge whilst offering CBCS courses at the Undergraduate and Postgraduate levels. The CBCS allows students to choose their subjects from fundamental to advanced level including performing course and curriculum projects in interdisciplinary and applied subjects, for example project work by UG and PG students.

Apart from this, in order to make all-round development of the students - in intellectual, social, physical, emotional and moral spheres, the college is preparing to include multidisciplinary subjects as per the National Educational Policy 2020. For this, the college is planning to introduce short term and vocational courses. The aim of these courses is to make the students equipped, so that they don't need to rely on Government jobs but instead pave a way towards self-employment. It has been trying to identify the programme learning outcomes along with courses and unit learning outcomes that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal.

16. Academic bank of credits (ABC):

Pandu College is yet to register for National Academic Depository (NAD) as it is not a degree granting/ Autonomous institution, through the affiliating university is a member Of NAD and it stores

ABC related data of all students in NAD. Therefore, the institution preparedness in implementation of Academic Bank of Credits (ABC) depends upon the guidelines of the affiliated university and Higher Education Department, Government of Assam. For this purpose, a centralized database along with the database of the college is to be established to digitally store the academic credits earned by the students from various courses so that the credits earned by students previously could be forwarded when the students enters into the program again. For monitoring ABC, proper technical support system is to be created.

17.Skill development:

Keeping in view the growing demand for skilled work force in both public and private sector, Higher Education Institutions are framing their curriculum accordingly. From past few years, various skill oriented courses have been introduced in the HEIs. Need of the hour is to produce young generation obtaining degrees in their choice of subjects and additional skill course that will help them to start their own entrepreneurship after leaving the college. But as mentioned earlier, Pandu College is affiliated to Gauhati University, so it does not prepare and implement its own curriculum. So, it has to run the courses as mentioned in the curriculum designed by the affiliating University. Presently, the college is conducting the Skill Enhancement Courses from Semester 4 to 6 as a part of its UG Programme. Apart from usual skill curriculum from the affiliating university, the college has established a Tailoring Centre under the Ministry of Skill Development, Govt. of India. Various skill development training programmes are also organized by the college for the students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The preservation and promotion of India's cultural wealth must be considered a high priority for the country, as it is truly important for the nation's identity as well as for its economy. In this regard appropriate integration of the Indian Knowledge system particularly teaching in Indian languages is important. Language is inextricably linked to Arts and culture. Therefore, in order to preserve and promote culture, one must preserve and promote a culture's languages.

Regarding the adoption of Indian languages, the college offers various Indian languages like Assamese, Bengali, Hindi and Bodo subjects in degree courses. In addition to this, the college offers Sanskrit as an elective subject in the degree level. In the order to

promote and integrate local language, art and culture, the institute regularly celebrates different Indian festivals and traditional days. The college has also established a Literary Club through which students can participate in various literary activities like workshops, discussions, interactions, symposiums etc in local languages.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The curriculum taught by our college is as per the Gauhati University guidelines. At present the college offers 37 programmes across the streams Science, Arts, Commerce, BCA and Bio-Technology. All these programmes are offered as Outcome-Based Educations (OBE) which are designed by the affiliating university considering the regional and global requirements. We have well defined Program Outcomes (PO), Program Specific Outcomes (PSO) and Course Outcomes (CO) which are clearly displayed on the college website.

The courses offered in our institution have specific methodology, evaluation system and lesson plans that are followed by the faculty members. The main focus is on achievement of outcomes of each course.

The course outcomes of the relevant courses are assessed through direct and indirect methods. The direct assessment is measured from the internal and external evaluations. The internal assessment for each course is based on the student's knowledge, skill and academic performance in internal tests, seminars, assignments, semester examinations, etc. This method displays strong evidence for the students' learning.

The Programme Outcome is appraised through the employment and progression to higher studies of the students. The institution also collects feedback from students to evaluate the success of outcome based education.

20.Distance education/online education:

The college is already prepared for online teaching learning process through various online modes. During the Covid pandemic, online classes were conducted very effectively by all faculties in all programs by using various technological tools like Google Classroom, Zoom, Google Meet and videos as teaching and learning aids. Both teachers and students have experienced the online teaching and evaluation process through different software. The whole college campus is Wi-Fi enabled with digitally interactive panels installed in many classrooms. The institution is planning to develop e-content

material prepared by faculty members for the students to meet the future challenges.

At present, our college is running study centers of IGNOU and DDE Pondicherry University, which offers different Certificate, Degree, Diploma programs. Many students are benefited by this facility, particularly students who are unable to enroll as regular students to pursue higher education.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Academic Council develops an annual academic calendar based on the academic schedule fixed by the University to implement the curriculum. Course allotment to individual faculty is done by the Head of the department based on the number of faculty members and their specialization. Semester wise teaching plan is prepared by the departments for effective completion of the course curriculum.

The college has undertaken various effective means for quality delivery of the curriculum. Classroom teaching is supplemented with

seminars, workshops, departmental quiz etc by the students. Wall magazines, departmental bulletins, field trips are also done by many departments.

Parent-Teachers' Meets are also conducted to enable the institution to get feedbacks to improve the academic performance of their wards.

The following attempts are made by the college for curriculum planning and development.

- Preparation of a planned work schedule, keeping in the mind, the Weightage given for each paper and the number of hours allotted as per the prescribed norms.
- Implementation of curriculum is periodically reviewed through departmental meeting
- Internet facility is available for both the students and staff in the library for academic orientation.
- Continuous assessment through Internal Tests.
- Organization of seminars, conferences and workshops

N.B. Due to COVID-19 Pandemic most classes were taken in online mode by using Students' Portal of Pandu College, Google Meet, Zoom etc. Moreover, Sessional Examination, Departmental Students' Seminar, home assignments etc. were also conducted through online mode during this session.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The under graduate and post graduate programs being imparted by the college represent different issues related to Gender, Environment and Sustainability, Human Values and Ethics. Most of the course curriculum of humanities and social science incorporates the concept of gender and its related issues in different papers. Environmental studies have been implemented as a compulsory subject for the

students of all streams. Gender sensitization program, environmental awareness programs, program for enhancement of holistic health awareness etc are organized by different cells and departments.

Some specific cells are constituted to put continuous effort for enhancement of professional ethics and human values among both students and teaching communities.

Anti-Ragging Committee, Students Grievance Redressal Cell are constituted to deal with any unwanted activities inside the campus.

N.B. During this period Pandu College conducted COVID-19 awareness programme along with distribution of soap, hand sanitizer in the nearby communities. Moreover, due to sudden Lockdown, students residing at college hostels could not take their belongings along with books and study materials to their homes. Pandu College took the initiatives to deliver their books and other important things at their homes with due permission from District Administration.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college facilitates special learning based on the academic capabilities of each student. In the beginning of every academic

session, students are assessed by their teachers on the basis of classroom performance, individual interactions, class tests and participation in activities in the college.

The College adopts the following measures for slow learners and the advanced learners.

Strategies for slow learners

1. Tutorial and remedial classes are conducted for slow learners to clarify doubts. 2. Extra reading materials are provided to improve basic understanding of subjects; 3. Home assignments are given and assessed by their teachers; 4. Personality development programs are conducted from time to time to motivate and inspire the students. 5. Engage the students in social activities/ departmental activities/institutional activities to boost up the confidence level among the students;

Strategies for advanced learners

1. Advanced reading materials are provided 2. Encouraged to attend/participate in various seminars/ lectures/ conferences/ quizzes 3. Interactive programmes with eminent scholars from various fields are organized to motivate and encourage the advanced learners;

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college adopts different student centric methods like experiential and participatory learning to ensure active participation of students in the teaching learning process.

Participative Learning

Departments adopt the following methods for effective participative learning

- Group Discussion/ science exhibition by students
- Field study and other value-added activity
- Project work
- Student Seminar and quiz
- Home assignment
- Interactive sessions with experts in various fields

Participation of the students in various activities is ensured.

The College organizes different activities like blood donation camp, cleanliness programs etc. to inculcate values and social responsibilities among students. Students are encouraged to participate in college sports and cultural activities (in College Week). Students are also encouraged to participate in different Inter-College competitions. Students are appointed as members of different departmental societies and committees and given responsibilities.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The session 2020-2021 was completely affected by Covid-19 pandemic and therefore it was not only the choice but also the compulsion of the teachers to learn, adopt and practice the ICT enabled tools. All teachers attended classes on online mode by using the plateforms like Google Class, Zoom, Google Meet etc. So, the use of ICT tools like laptops and internet became a common practice not only for the teachers but also for the students.

The IQAC of the college conducted Faculty Development Programme titled "E-Learning in Higher Education" where 130 teachers from different institutions of the region particiapted too get a brif idea on E-content Development, Open Educational Resources, various e-learning platforms like MOOCs, Swayam etc. Moreover, most of the HRDCs organizedrefresher courses and faculty Development Programmes for the teachers in online mode. To attend these progarms, the teachers are effectively used ICT enabled tools like laptops, headphones, writing pads, internet, video-lectures, audio-lectures, PPT presentations, YouTube links, e-contents etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Pandu College conducts internal assessment on the basis of Academic Calendar prepared by the College Academic Council following the Gauhati University Academic Calendar.

All the examinations related matters are notified through college notice boards, Departmental Notice Boards, website and students' portal.

An Examination Committee is constituted to coordinate internal and external examination activities.

Internal Assessment is done by conducting Sessional Examination, giving Assignments/seminar presentations/projects/group discussion and students' attendance. Moreover, Departments conduct Class Test, sudden test, quizzes etc. for continuous evaluation of students.

Due to large number of students in certain subjects like General English, Education, Political Science and Environmental Studies, the

sessional examinations for these subjects are centrally conducted by the College Examination Committee. For other subjects including honours, examinations are conducted by the concerned departments. Question papers are set by the concerned teachers allotted by the respective heads of the departments.

Evaluated answer scripts are shown to the students for self-evaluation and necessary discussions are made.

All records of internal Examinations are maintained properly by respective departments, College Examination Committee and sent to the Examination Branch of Gauhati University.

N.B. Due to Pandemic, all the examinations were conducted through online mode as per SOP of Government and University.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The College has an Examination Grievances Redressal Committee (EGRC) consisting of the Vice Principal as Chairperson, a teacher coordinator and two teacher members to address examination related grievances. A transparent method is followed in the College in dealing with these grievances. Students are allowed to apply for reevaluation, recounting and challenged evaluation in a proper format. The queries related to results, corrections in mark sheets and absence of internal marks in the mark sheets issued by the university are dealt with promptly by the GRC after forwarding such queries through the college Examination Committee. These grievances are forwarded to the respective departments for rectification. After rectification, the Examination Committee forwards the same to the university.

If a student fails to appear in the Sessional examination/submit assignment on due time for medical or any genuine reason, he/she is given a mercy chance to appear for examination if application is submitted addressing to the HOD of the respective departments with valid documents.

Moreover, if any student obtains less mark/wants to improve in that

subject, he/she is permitted to reappear for the improvement. The evaluated assignments and answer scripts are shown to students to maintain transparency of the marks awarded and if any discrepancies are reported by the students, then these are resolved by the concerned faculties immediately.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Method of assessment of POs / PSOs

The program outcomes and Program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods. Direct methods are provided through direct examinations or observations of student knowledge or skills against measurable course outcomes. The knowledge and skills described by the course outcomes are mapped to specific problems on University

Examination, internal exams and home assignment.

The evaluation of attainment of PO, PSO and CO is primarily made on the basis of the performances of the students in the Semester and Internal Assessment.

The semester examination of the affiliating university covers 80% of the assessment in a course. The other 20% of weightage for internal assessment is used for assessment of the course outcome of the students.

The knowledge and skills aimed for the course outcomes are assessed through the semester examination, sessional examinations, along with a process of continuous internal evaluation that includes home assignments, group discussions, seminar presentations, quizzes, etc., throughout the semester.

Learning outcomes of the students are regularly monitored by the departments and appropriate remedial measures are taken for desired course outcomes. The attainment of PO is assessed through the student progression record of alumni of the institution.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College conducts various extension activities in the neighborhood community for sensitizing students with social issues, community service and holistic development of students. These

activities make them aware about cleanliness, environmental awareness, and social awareness.

Students are motivated to participate in need based outreach activities such as Swachh Bharat Abhiyan, tree plantation and awareness programs. Theme based activities like street play, rally, rangoli, etc. are organized in the institute. Students get the opportunity to improve their leadership, interpersonal skills and self-confidence through participation in various activities of the institute.

A number of social outreach programmes and deliberations take place on a regular basis in which students and faculty members participate. The institute also takes the privilege in creating awareness about malnutrition, sanitation, social awareness and education of the girl child and many more for skill development. The students conduct field research on various social issues. Such studies help the students to know the existing social values and work on the limitations and for social development

But as the session 2020-21 is completely affected by Covid 19 pandemic. So, during this session no extension activities done by the college is very less.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

A student body for organizing different student activities was established in the year 1965. Since then it has been working in the name of Pandu College Students' Union Society having defined objectives and jurisdiction of work under its own constitution. All students of the college are the primary members of the society. The activities organized by the student union are supervised by a Union Advisory Committee consisting of faculty members of the college.

The main objectives of the societies are:

- To promote physical, mental, emotional and spiritual upliftment of the students
- To promote socio-cultural responsibility for the betterment of the students
- To promote unity, fraternity and brotherhood among the students
- To ventilate genuine grievances of the students and their aspirations before the competent authority by means of democratic non-violent ways
- To promote healthy and disciplined educational atmosphere

Apart from union activities students are engaged in different bodies, cells and associations at institutional and departmental levels. They are also empowered to organize seminar, workshop, and debate and quiz competitions, fresher's social, farewell etc. Many departments engage their students as editors of the wall magazines and departmental journals.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Pandu College is one of the premier co-educational provincialized colleges of the region. The students of the college belong to different socio-economic background, having different intellectual, social and cultural values. The institution takes care for all round development and growth of its student community. The Governing Body of the college monitors each and every step and policy taken by the authority. The Principal implements the decisions and policies of the management. The teaching and non-teaching staffs of the college closely work with him/her for attainment of greater interest.

The Principal keeps regular touch with Head of the Departments, Office and Library staff and with other stakeholders of the institution to ensure the smooth implementation of plans and policies. He/she takes steps to solve the problems and resolves conflicts and redresses grievances of the stakeholders.

The Academic Council and other Committees meet in regular interval to discuss and implement the decisions regarding academic, administrative and co-curricular activities of the college.

The vision of the institution is to transform it from mere an institution of higher education to a centre of excellence for all round development of human resources contributing towards the nation building process.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Pandu College promotes and practices decentralization in all academic and administrative activities.

Administrative Decentralization:

The Governing Body is constituted with a President nominated by the State Government. The GB is constituted by following the Assam College Employees (Provincialisation) Act, 2005 and the Assam College Employees (Provincialisation) Rule, 2010.

After the retirement of the employees, the pension and other benefits are settled under the Assam Service (Pension) Rules 1969. The college administration is headed by the Principal and assisted by a non-teaching staff.

Academic Decentralization:

There are different committees with well-defined functions that give academic and administrative leadership to the institution. The Academic Council is responsible for management of all academic affairs of the college and to recommend different strategies for upgradation of teaching-learning facilities.

Anti-Ragging Cell, Grievance Redressal Cell and Discipline Committeetake care of healthy, enjoyable and disciplined culture in the institute. It comprises of the Principal, HODs and Faculty members of the college.

Participation of students in the management is ensured through the class monitors and Pandu College Students' Union Society. The Student Union identifies the issues of common interest of the students and places them before the authority in a democratic manner.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The College believes in setting up perspective plan for excellence in academic and Infrastructural development. This is drawn in the form of long term and short term goals in different aspects of college functioning.

Strategy making during the lockdown period by the Academic Council

For the effective execution of the diverse academic purposes and goals, the Academic Council comprising all the Head of the Departments, IQAC coordinator, librarian and a few senior teachers has been constituted. The council looks after the class routines, academic calendar, internal examinations etc.

The Academic Council determines the goals and plans of all academic matters and prepares the Academic Calendar of the college for a session. The Admission Committee with the help of Academic Council completes the entire admission process within the stipulated time period.

Apart from its usual role, the Academic Council played a vital role in the strategy making process during the pandemic situation from March 2020 to October 2021. The council was extremely vigilant and regularly reviewed the SOPs issued by the Government for safe teaching-learning process. Internal college examinations and examinations conducted by Gauhati University in online mode was also effectively planned and executed by strategies developed by the council.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Governing Body of the college is the highest decision making body. The President of Governing Body is appointed by the State Government of Assam. The Principal of the college becomes the ex-officio secretary of the body. The Governing Body is constituted with two nominated members from the affiliating university (Gauhati University), two members from the teaching staff, one member from non-teaching staff, three members from the parents and the librarian as ex-officio member.

All fresh recruitments are made in a transparent manner by giving public advertisement in widely circulated dailies of the state as well as in the college website as per the guidelines framed by the Government of Assam and UGC from time to time.

Promotion of teachers is accorded as per the rules and guidelines of the Government under Career Advancement Scheme (CAS) and the non-teaching staff are promoted as per vacancy and seniority. In both the cases, recommendations for promotion are sent to the office of the Director of Higher Education for necessary approval.

The college authority has constituted different committees and cells to look after various activities and implement different plans and policies.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Institution has a performance appraisal system.

For Career Advancement under CAS, the particular filled data format prepared in accordance with the Guidelines of UGC, are submitted to IQAC office. After carefully scrutinized by the office of the IQAC, the filled form is submitted the Principal and forwarded to the

Director of Higher Education, Assam after approval by an Internal Scrutiny Committee formed in approval of the affiliated University.

To make the teaching and non-teaching staff aware of their academic and non academic achievements, feedbacks are collected annually from the stakeholders. The institution collects feedback from the alumni and parents as external evaluations on certain aspects to initiate action for all round development.

Apart from this, the work performance of the non-academic and official staffs is assessed by every teacher periodically and appropriate instructions are given to staff by Principal to boost the proper work culture in the institute.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college has a mechanism for internal and external audit to ensure financial compliance.

Internal Audit: The Internal Audit is an ongoing continuous process which is done by appointing qualified Chartered Accountant. The purpose of internal audit is to examine books of accounts and to review the present account also by giving suggestions to improve the same. The internal audit assures the management that the accounts are being properly maintained and it provides adequate safeguards for detection and prevention of any frauds.

External Audit: The External Audit is done by the Auditor General of Assam, through the office of Director of Higher Education of Assam.

Their main role is to examine the validity of financial records of the college and to find out if there is any discrepancy. It increases the authenticity and credibility of financial statements. External audit reviews financial statements to certify the status of the mechanism adopted by the college.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The resource mobilization policy provides guidelines to diversify and expand the institution's resource base to achieve the strategic plans, goals and overall growth of the institution. The policy helps in identifying and analyzing the resources available for efficient budget allocation.

Procedures of the Institution

The college prepares an annual budget estimate every year. It is submitted by the Principal to seek approval from the Governing Body.

Resource Mobilization

The major sources of funding are as follows:

- Fee collected from students during admission.
- Funds and grants from various governmental / non governmental bodies
- Salary grants from Government of Assam.

- Self-sustaining programmes.
- Centre fees of different govt. and non-govt. departmental examinations.
- Interest accrued from fixed deposits at banks. etc

Funds generated from the above are principally used for the development and maintenance of the college.

Utilization

The budget is prepared for optimum utilization of resources and the major areas of allocation are:

- Maintenance of the building and infrastructure
- Contractual Teaching and Non-teaching staff salary.
- Staff and student welfare expenses.
- Procurement of lab consumables, LCD projectors, Laptops etc.
- Miscellaneous other expenses

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell of Pandu College was established in the year 2003 to monitor the quality of services being provided by the institution to its stakeholders. It has been taking steps to enhance the faculty competencies and empower the students by organizing various programs and strategies for students as well as for teachers.

Various quality enhancing initiatives like organizing workshops, seminars, FDP's etc, publication of good quality research papers by the faculties, innovations in teaching etc have been taking by the cell since its inception.

Since the year 2020-21 is badly affected by covid 19 pandemic, no offline programmes could be organised during this period. Therefore, a few online programs were organized by IQAC are follows:

1. One Week Online Training Programme on E-Learning in Higher Education (1-7 July, 2020).
2. International webinar on "Pandemic: challenges & strategies-post crisis development" (
3. Online students interaction programme on "Sailing Through Your Career: Coping with challenges" (17-08-2020)
4. National webinar on "Physics through Nano Science" (28-08-2020)
5. Participation on NIRF
6. Online Students Feedback
7. Best Department Award, Best Graduate Award (due to the pandemic situation these awards could not be given in the session 2020-21)

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution has a process to review its teaching learning process, structure & methodology of operation and learning outcomes at periodical intervals through IQAC. Example of institutional reviews and examples of teaching learning reforms facilitated by the IQAC is

Students' Feedback on Faculty: - Students' Feedback is one of the prime measures to assess the quality of teaching learning process of the institution. The IQAC has farmed out a questionnaire covering maximum aspects of the teaching learning process, to evaluate the teaching faculty of the institution by the learners. To complete the feedback system without any biasness, some criterion has been put in place. All the permanent, contractual, part-time and guest faculty members are covered under this process. Students' of post-graduate and under graduate, having 75% class attendance, are only considered to be eligible to take part in this process; The secrecy relating to a student evaluator is maintained under the system and students can

take part and complete the process without any hesitation and doubt; The feedback system is entirely completed under the supervision of IQAC for collecting, analysing data and reporting of the result; The result of the feedback is communicated to the respective faculty through Head of the Department or by personal email.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute promotes gender sensitivity through various initiatives and actions for creating safe, secure and healthy

atmosphere in the campus. A number of steps and initiatives are taken for sensitization of women. The institution has constituted certain committees and cells to prevent any untoward incidence to any girl student and women employee such as the Internal Complain Committee, Sexual Harassment Prevention Cell, Women's Study Circle, Anti Ragging Cell, Student Discipline etc. These committees/Cells keep close watch on the safety and security of the girl students and women employees of the institution.

Safety & Security:

- The college campus is surrounded by boundary walls and high raised gates with security guards at all entrances and exits.
- CCTV cameras have been fixed in all the prominent and common places.
- Separate secured hostels exist for girls and boys with full time wardens
- Students should keep ID at all time

Counseling:

- There is Mentoring facility. Personality/skill development programs are organized for the girl students by various cells and departments.
- Students' Welfare Society for poor students.

Common room:

- Common rooms for girls with all required facilities.
- Sanitary pad vending machines are placed in the Girls' Common Room and Girls' Hostel

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Pandu College provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. Performance of various folk dance and folk culture are done by the students in the Annual College Week and other programs that promote harmony towards each

other.

National festivals like Independence Day and Republic Day are celebrated every year with full vigor. Commemorative days like Women's day, International Yoga day, AIDS day etc and festivals like Holi, Diwali and other regional festivals are also celebrated by the students. This establishes positive interaction among people of different racial and cultural backgrounds.

There are different grievance Redressal cells in the institute like Student Grievance Redressal Cell, Employees Grievances Redressal cell which deal with grievances without considering anyone's racial or cultural background.

Institute has code of ethics for students and a separate code of ethics for teachers and other employees which have to be followed by each one of them irrespective of their cultural, regional, linguistic, communal socioeconomic and other diversities.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE #1

Title of the practice: GREEN CAMPUS INITIATIVES: The Gift of Green

Goal of the practice:

At Pandu College, we strive to create a model of education that is based on compassion and mindful living. The Green Campus initiative began with an objective of fostering a culture of eco-friendly practices and making the campus environmentally sustainable. We aim to build a campus that is plastic free, pollution free, produces minimal waste, conserves energy, protects biodiversity and practices self-sustainability in areas of power, water and cleanliness. This is a collective endeavour of our students, staff and neighbouring community in an effort to recognize our place and responsibility on this planet.

The context:

Saving the environment from different corners of activities of human is the most urgent need of the hours. It is the responsibility of all the stakeholders of the society to check the pollution whether it is micro or macro amount. With the increase in population the quality of air, water and soil are degrading day by day due to different activities.

Increase in air pollution level due to use of private petro-diesel vehicles as well as burning of plastic materials, Thermocols, rubbers cause various types of lung related diseases and these activities will add the already increasing level of global warming.

The college has abundant plants and sunlight, it has become important to transform productively green waste and sunlight into sources of sustenance. Pandu College has been consistently working towards creating and maintaining an eco-friendly green campus.

The practices:

- To increase environmental awareness among students, staff of the college and among population in the vicinity of the college we encourage the uses of utensils made of ceramics or glass and steel.
- Efforts for carbon neutrality: The College has made arrangements for the parking of the vehicles of the students and staff near the entrance. The college is declared as NO TOACCO ZONE.
- It is our custom to facilitate any distinguished guest by offering sapling of flower or ornamental plant.
- Use of earthen pot and container is habitual for the college fraternity during any type of event.

- To minimize the environmental pollution in and around the college by using the following steps:
- Zero Plastic Zones: use of plastic bags is avoided in the college campus and the authority has declared the entire campus as 'zero plastic zone'. Teachers motivate the students and staff to use cotton or jute bags and to avoid single used plastic.. The NSS have made it a regular practice of plastic eradication as a part of their extension activities.
- Landscaping with trees and plants: The NSS, The NCC, Eco club, Campus beautification committee planted several tree sapling during various tree plantation program. All these trees are taken care of and maintained by gardeners of the institution under continuous monitoring of beautification committee. Cutting trees on campus is strictly prohibited.
- Semi-micro scale analysis experiments in Chemistry Department: The department of chemistry is practicing micro scale and semi micro technique in chemistry practicals to reduce volume of solutions and less relies of hazardous gases and wastes.
- Vermicomposting is also in practice by Department of Biotechnology for disposing the wet waste from canteens, hostels and also biodegradable wastes. Vermi compose is used in green campus and a herbal garden. Blue and green covered dustbins are placed in the premises.

Evidence of success:

- Tree plantation drives are carried out annually.
- Organic manure is used in the garden obtained from Vermicomposting method.
- Cleanliness drive and awareness programme on single used plastic have been done by Botany department, NCC, NSS unit on Brahmaputra temple ghat.

Problems encountered and resources required:

Irresponsible society near the campus is the one of the root cause of the problems faced by the college authority in mitigating the cleanliness of the entire area. Land encroachment by the nearest community have done the worst for building projects like ornamental plant growth, ornamental fishery as well as to maintain a calm environment. Continuous massive awareness programme on effect of burning of plastic materials, throwing of garbages in wet lands and nearby river or drains as well as social consciousness will help to counter some of these problems for which a good number of conscious people are required from the community concerned.

BEST PRACTICE #2

Title of the Practice: DIGITALIZATION OF THE SYSTEM

Goal of the practice:

Pandu college has taken initiative to introduce digital system to ensure the less paper work in the office, library as well as in class room.

The college would like to improve the quality of the whole system so that lesser number of paper and thus to minimize the space required for keeping the records for the different activities:

Context:

Digitalisation has also transformed our ability to communicate, with numerous apps which allow us to send messages to each other immediately and in many different formats. For example, mentioning someone's name on a social media post or doing a video call.

We are also better able to communicate new ideas thanks to digitalisation, which helps them to spread more quickly. We no longer only have access to the thoughts of the wealthiest, most powerful members of society; anybody has the ability to get their message out there now.

The Practice:

1. Pandu College has been upgraded to digitalization in every nook and corner. The office assistants are trained with ICT and all the documentation processes are done in digital format.
2. Pandu College have its own app (for example Teachers' Panel) for communication with teachers and students. All notifications are shown through e-governance system of the app.
3. Leave of application for all types of leave are applied through faculty login system of the app.
4. Class routine of every class is displayed through class routine icon.
5. Students' attendance is taken digitally applying this app and the attendance of all the students can be monitored for every cause along with their subjects. Class notes and assignments

are given through this portal. Assessment report and online exam can be taken with the help of same portal.

6. Teaching daily classes are displayed in the logbook of the system.
7. Library of the college has been fully digitalized and every student and teachers have their QR code symbol for utilizing the library resources. There is also a dash board regularly students performance analysis in which the performances of the students can be analyzed.
8. Whole admission process is done smoothly by online process through which students' enrolment can be monitored along with list of honours and generic subjects.
9. CCTV Cameras are installed in almost all the class room and corridors for the safety and as well as proper functioning of the classes.

Evidence of success of digitalisation

1. Digitalisation save time and money
2. E-learning makes use of different platforms like pedagogue which provides interactive content.
3. Digital tools would help create circular economics radically reduce greenhouse gas emissions, promote renewable energies and monitor and protect ecosystems. Virtual spaces would enable communication and joint learning between people around the globe.

Problems encountered:

1. Participation of students in the Online Student Feedback is limited.
2. E-learning can cause social isolation.
3. Lack of communication skill development in online students.
4. Cheating prevention during online assessments is complicated.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

INSTITUTIONAL DISTINCTIVENESS

Inclusivity on campus and beyond is the priority and thrust area in which the college has been making strides. Pandu College, therefore, not only promotes inclusivity in principle but also implements inclusive education on the campus through various practices in teaching learning processes and co/extra-curricular activities. Inclusive education entails ease of access to the teaching-learning ecosystem, regardless of cognitive or disability challenges, and equal opportunities for holistic development among students of diverse capacities and different backgrounds. Pandu college tries to harmonize the five dimensions- physical, intellectual, ethical, social and cultural faculties of students entering its portals.

- Practices that promote inclusivity in campus and beyond are:
- Educational Practices
- Collaborative Practices

Furthermore, the college also works for strengthening the climate of inclusivity in college at all levels viz., environmental, economic and social, as the inclusivity should be cultivated in various dimensions.

1. Educational Practices

Classroom teaching and inclusivity - Educators implement evidence-based inclusive practices through multi-level instructions, multiple methods of assessment and modified outcomes in general education classrooms.

Students with disabilities are educated with non-disabled peers to the maximum extent appropriate. To manage disability challenges a special room is arranged for them with disable friendly washrooms.

Inclusive practices to facilitate learning - College take extra measures to address the learning abilities of every student and include peer mentoring, group discussions, and cooperative learning situations as inclusive classroom practice. Special focus on slow learners and due attention is given to make them catch the pace of the class. ICT enabled teaching is imparted to keep pace with digital age. Audio Visual aids are applied to accelerate the learning process. Remedial classes for slow learners is another step to pull up the students lagging in their studies.

- Mentor-mentee meetings - Mentors are allotted to each student to discuss various problems faced by students at the academic and personal level. Individual departments maintain records of students living as paying guests and a meeting is convened time to time to discuss their problems.
- Collaborative Learning/Practices

Collaborative learning/practices are a set of teaching and learning strategies promoting student learning and experiences beyond curriculum. For this the college has organised different types of collaborative activities for student's overall development.

- MOU with other organisations - Pandu College has planned to sign various MOUs as collaborative practices with educators and organisations and in turn students receive research trainings, help in instructional planning, minimise curricular barriers and provide time to time guidance and counselling.
- Skill development programmes like tailoring training, training on food processing are also conducted for students in the College, which promotes the practices of inclusivity for economically poor students.
- The cultural component of the student's personality is sharpened by exposing them to various co-curricular activities organized by the college
- Brainstorming quiz/debate contests are conducted to test students' knowledge and appraisal capacity.
- Yoga classes and self defence training is also undertaken.
- A state of art Gymnasium is available for ensuring the fitness of boys and girls.
- Blood donation drive are regularly done by NSS unit.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Academic Council develops an annual academic calendar based on the academic schedule fixed by the University to implement the curriculum. Course allotment to individual faculty is done by the Head of the department based on the number of faculty members and their specialization. Semester wise teaching plan is prepared by the departments for effective completion of the course curriculum.

The college has undertaken various effective means for quality delivery of the curriculum. Classroom teaching is supplemented with seminars, workshops, departmental quiz etc by the students. Wall magazines, departmental bulletins, field trips are also done by many departments.

Parent-Teachers' Meets are also conducted to enable the institution to get feedbacks to improve the academic performance of their wards.

The following attempts are made by the college for curriculum planning and development.

- Preparation of a planned work schedule, keeping in the mind, the Weightage given for each paper and the number of hours allotted as per the prescribed norms.
- Implementation of curriculum is periodically reviewed through departmental meeting
- Internet facility is available for both the students and staff in the library for academic orientation.
- Continuous assessment through Internal Tests.
- Organization of seminars, conferences and workshops

N.B. Due to COVID-19 Pandemic most classes were taken in online mode by using Students' Portal of Pandu College, Google Meet, Zoom etc. Moreover, Sessional Examination, Departmental Students' Seminar, home assignments etc. were also conducted through online mode during this session.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared by the academic council taking into consideration of the Academic Calendar of the affiliating university. The schedule of the Internal Sessional Examinations is clearly mentioned in the Calendar for conduct of Continuous Internal Evaluation. In preparing the academic calendar, provision for conduct of co-curricular activities such as Seminar/workshop, guest lectures and field visits and for extracurricular activities such as extension activities, Annual College Week, Students Elections are also taken into consideration.

Teaching plan and its execution which are recorded in the students' portal of the college help the Principal and Heads of Departments to check and ensure that the schedule of curriculum delivery is being followed as per the calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The under graduate and post graduate programs being imparted by the college represent different issues related to Gender, Environment and Sustainability, Human Values and Ethics. Most of the course curriculum of humanities and social science incorporates the concept of gender and its related issues in different papers. Environmental Studies have been implemented as a compulsory subject for the students of all streams. Gender sensitization program, environmental awareness programs, program for enhancement of holistic health awareness etc are organized by different cells and departments.

Some specific cells are constituted to put continuous effort for enhancement of professional ethics and human values among both students and teaching communities.

Anti-Ragging Committee, Students Grievance Redressal Cell are constituted to deal with any unwanted activities inside the campus.

N.B. During this period Pandu College conducted COVID-19 awareness programme along with distribution of soap, hand sanitizer in the nearby communities. Moreover, due to sudden Lockdown, students residing at college hostels could not take their belongings along with books and study materials to their homes. Pandu College took the initiatives to deliver their books and other important things at their homes with due permission from District Administration.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The session 2020-2021 was completely affected by Covid-19 pandemic and therefore it was not only the choice but also the compulsion of the teachers to learn, adopt and practice the ICT enabled tools. All teachers attended classes on online mode by using the platforms like Google Class, Zoom, Google Meet etc.

So, the use of ICT tools like laptops and internet became a common practice not only for the teachers but also for the students.

The IQAC of the college conducted Faculty Development Programme titled "E-Learning in Higher Education" where 130 teachers from different institutions of the region participated to get a brief idea on E-content Development, Open Educational Resources, various e-learning platforms like MOOCs, Swayam etc. Moreover, most of the HRDCs organized refresher courses and faculty Development Programmes for the teachers in online mode. To attend these programs, the teachers are effectively using ICT enabled tools like laptops, headphones, writing pads, internet, video-lectures, audio-lectures, PPT presentations, YouTube links, e-content etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Pandu College conducts internal assessment on the basis of Academic Calendar prepared by the College Academic Council following the Gauhati University Academic Calendar.

All the examinations related matters are notified through college notice boards, Departmental Notice Boards, website and students' portal.

An Examination Committee is constituted to coordinate internal and external examination activities.

Internal Assessment is done by conducting Sessional Examination, giving Assignments/seminar presentations/projects/group discussion and students' attendance. Moreover, Departments conduct Class Test, sudden test, quizzes etc. for continuous evaluation of students.

Due to large number of students in certain subjects like General English, Education, Political Science and Environmental Studies, the sessional examinations for these subjects are centrally conducted by the College Examination Committee. For other subjects including honours, examinations are conducted by the concerned departments. Question papers are set by the concerned teachers allotted by the respective heads of the departments.

Evaluated answer scripts are shown to the students for self-evaluation and necessary discussions are made.

All records of internal Examinations are maintained properly by respective departments, College Examination Committee and sent to the Examination Branch of Gauhati University.

N.B. Due to Pandemic, all the examinations were conducted through online mode as per SOP of Government and University.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The College has an Examination Grievances Redressal Committee (EGRC) consisting of the Vice Principal as Chairperson, a teacher

coordinator and two teacher members to address examination related grievances. A transparent method is followed in the College in dealing with these grievances. Students are allowed to apply for reevaluation, recounting and challenged evaluation in a proper format. The queries related to results, corrections in mark sheets and absence of internal marks in the mark sheets issued by the university are dealt with promptly by the GRC after forwarding such queries through the college Examination Committee. These grievances are forwarded to the respective departments for rectification. After rectification, the Examination Committee forwards the same to the university.

If a student fails to appear in the Sessional examination/submit assignment on due time for medical or any genuine reason, he/she is given a mercy chance to appear for examination if application is submitted addressing to the HOD of the respective departments with valid documents.

Moreover, if any student obtains less mark/wants to improve in that subject, he/she is permitted to reappear for the improvement. The evaluated assignments and answer scripts are shown to students to maintain transparency of the marks awarded and if any discrepancies are reported by the students, then these are resolved by the concerned faculties immediately.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Method of assessment of POs / PSOs

The program outcomes and Program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods. Direct methods are provided through direct examinations or observations of student knowledge or skills against measurable course outcomes. The knowledge and skills described by the course outcomes are mapped to specific problems on University Examination, internal exams and home assignment.

The evaluation of attainment of PO, PSO and CO is primarily made on the basis of the performances of the students in the Semester and Internal Assessment.

The semester examination of the affiliating university covers 80% of the assessment in a course. The other 20% of weightage for internal assessment is used for assessment of the course outcome of the students.

The knowledge and skills aimed for the course outcomes are assessed through the semester examination, sessional examinations, along with a process of continuous internal evaluation that includes home assignments, group discussions, seminar presentations, quizzes, etc., throughout the semester.

Learning outcomes of the students are regularly monitored by the departments and appropriate remedial measures are taken for desired course outcomes. The attainment of PO is assessed through the student progression record of alumni of the institution.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College conducts various extension activities in the neighborhood community for sensitizing students with social issues, community service and holistic development of students. These activities make them aware about cleanliness, environmental awareness, and social awareness.

Students are motivated to participate in need based outreach activities such as Swachh Bharat Abhiyan, tree plantation and awareness programs. Theme based activities like street play, rally, rangoli, etc. are organized in the institute. Students get the opportunity to improve their leadership, interpersonal skills and self-confidence through participation in various activities of the institute.

A number of social outreach programmes and deliberations take place on a regular basis in which students and faculty members participate. The institute also takes the privilege in creating awareness about malnutrition, sanitation, social awareness and education of the girl child and many more for skill development. The students conduct field research on various social issues. Such studies help the students to know the existing social values and work on the limitations and for social development

But as the session 2020-21 is completely affected by Covid 19 pandemic. So, during this session no extension activities done by the college is very less.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

A student body for organizing different student activities was established in the year 1965. Since then it has been working in the name of Pandu College Students' Union Society having defined objectives and jurisdiction of work under its own constitution. All students of the college are the primary members of the society. The activities organized by the student union are supervised by a Union Advisory Committee consisting of faculty members of the college.

The main objectives of the societies are:

- To promote physical, mental, emotional and spiritual upliftment of the students
- To promote socio-cultural responsibility for the betterment of the students
- To promote unity, fraternity and brotherhood among the students
- To ventilate genuine grievances of the students and their aspirations before the competent authority by means of democratic non-violent ways
- To promote healthy and disciplined educational atmosphere

Apart from union activities students are engaged in different

bodies, cells and associations at institutional and departmental levels. They are also empowered to organize seminar, workshop, and debate and quiz competitions, fresher's social, farewell etc. Many departments engage their students as editors of the wall magazines and departmental journals.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Pandu College is one of the premier co-educational provincialized colleges of the region. The students of the college belong to different socio-economic background, having different intellectual, social and cultural values. The institution takes care for all round development and growth of its student community. The Governing Body of the college monitors each and every step and policy taken by the authority. The Principal implements the decisions and policies of the management. The teaching and non-teaching staffs of the college closely work with him/her for attainment of greater interest.

The Principal keeps regular touch with Head of the Departments, Office and Library staff and with other stakeholders of the institution to ensure the smooth implementation of plans and policies. He/she takes steps to solve the problems and resolves

conflicts and redresses grievances of the stakeholders.

The Academic Council and other Committees meet in regular interval to discuss and implement the decisions regarding academic, administrative and co-curricular activities of the college.

The vision of the institution is to transform it from mere an institution of higher education to a centre of excellence for all round development of human resources contributing towards the nation building process.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Pandu College promotes and practices decentralization in all academic and administrative activities.

Administrative Decentralization:

The Governing Body is constituted with a President nominated by the State Government. The GB is constituted by following the Assam College Employees (Provincialisation) Act, 2005 and the Assam College Employees (Provincialisation) Rule, 2010.

After the retirement of the employees, the pension and other benefits are settled under the Assam Service (Pension) Rules 1969. The college administration is headed by the Principal and assisted by a non-teaching staff.

Academic Decentralization:

There are different committees with well-defined functions that give academic and administrative leadership to the institution. The Academic Council is responsible for management of all academic affairs of the college and to recommend different strategies for upgradation of teaching-learning facilities.

Anti-Ragging Cell, Grievance Redressal Cell and Discipline Committeetake care of healthy, enjoyable and disciplined culture in the institute. It comprises of the Principal, HODs and Faculty members of the college.

Participation of students in the management is ensured through the class monitors and Pandu College Students' Union Society. The Student Union identifies the issues of common interest of the students and places them before the authority in a democratic manner.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The College believes in setting up perspective plan for excellence in academic and Infrastructural development. This is drawn in the form of long term and short term goals in different aspects of college functioning.

Strategy making during the lockdown period by the Academic Council

For the effective execution of the diverse academic purposes and goals, the Academic Council comprising all the Head of the Departments, IQAC coordinator, librarian and a few senior teachers has been constituted. The council looks after the class routines, academic calendar, internal examinations etc.

The Academic Council determines the goals and plans of all academic matters and prepares the Academic Calendar of the college for a session. The Admission Committee with the help of Academic Council completes the entire admission process within the stipulated time period.

Apart from its usual role, the Academic Council played a vital role in the strategy making process during the pandemic situation from March 2020 to October 2021. The council was extremely vigilant and regularly reviewed the SOPs issued by the Government

for safe teaching-learning process. Internal college examinations and examinations conducted by Gauhati University in online mode was also effectively planned and executed by strategies developed by the council.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Governing Body of the college is the highest decision making body. The President of Governing Body is appointed by the State Government of Assam. The Principal of the college becomes the ex-officio secretary of the body. The Governing Body is constituted with two nominated members from the affiliating university (Gauhati University), two members from the teaching staff, one member form non-teaching staff, three members from the parents and the librarian as ex-officio member.

All fresh recruitments are made in a transparent manner by giving public advertisement in widely circulated dailies of the state as well as in the college website as per the guidelines framed by the Government of Assam and UGC from time to time.

Promotion of teachers is accorded as per the rules and guidelines of the Government under Career Advancement Scheme (CAS) and the non-teaching staff are promoted as per vacancy and seniority. In both the cases, recommendations for promotion are sent to the office of the Director of Higher Education for necessary approval.

The college authority has constituted different committees and cells to look after various activities and implement different plans and policies.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Institution has a performance appraisal system.

For Career Advancement under CAS, the particular filled data format prepared in accordance with the Guidelines of UGC, are

submitted to IQAC office. After carefully scrutinized by the office of the IQAC, the filled form is submitted the Principal and forwarded to the Director of Higher Education, Assam after approval by an Internal Scrutiny Committee formed in approval of the affiliated University.

To make the teaching and non-teaching staff aware of their academic and non academic achievements, feedbacks are collected annually from the stakeholders. The institution collects feedback from the alumni and parents as external evaluations on certain aspects to initiate action for all round development.

Apart from this, the work performance of the non-academic and official staffs is assessed by every teacher periodically and appropriate instructions are given to staff by Principal to boost the proper work culture in the institute.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college has a mechanism for internal and external audit to ensure financial compliance.

Internal Audit: The Internal Audit is an ongoing continuous process which is done by appointing qualified Chartered Accountant. The purpose of internal audit is to examine books of accounts and to review the present account also by giving suggestions to improve the same. The internal audit assures the management that the accounts are being properly maintained and it provides adequate safeguards for detection and prevention of any frauds.

External Audit: The External Audit is done by the Auditor General of Assam, through the office of Director of Higher Education of Assam.

Their main role is to examine the validity of financial records of the college and to find out if there is any discrepancy. It increases the authenticity and credibility of financial statements. External audit reviews financial statements to certify the status of the mechanism adopted by the college.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell of Pandu College was established in the year 2003 to monitor the quality of services being provided by the institution to its stakeholders. It has been taking steps to enhance the faculty competencies and empower the students by organizing various programs and strategies for students as well as for teachers.

Various quality enhancing initiatives like organizing workshops, seminars, FDP's etc, publication of good quality research papers

by the faculties, innovations in teaching etc have been taking by the cell since its inception.

Since the year 2020-21 is badly affected by covid 19 pandemic, no offline programmes could be organised during this period. Therefore, a few online programs were organized by IQAC are follows:

1. One Week Online Training Programme on E-Learning in Higher Education (1-7 July, 2020).
2. International webinar on "Pandemic: challenges & strategies- post crisis development" (
3. Online students interaction programme on "Sailing Through Your Career: Coping with challenges" (17-08-2020)
4. National webinar on "Physics through Nano Science" (28-08-2020)
5. Participation on NIRF
6. Online Students Feedback

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution has a process to review its teaching learning process, structure & methodology of operation and learning outcomes at periodical intervals through IQAC. Example of institutional reviews and examples of teaching learning reforms facilitated by the IQAC is

Students' Feedback on Faculty: - Students' Feedback is one of the prime measures to access the quality of teaching learning process of the institution. The IQAC has farmed out a questionnaire

covering maximum aspects of the teaching learning process, to evaluate the teaching faculty of the institution by the learners. To complete the feedback system without any biasness, some criterion has been put in place. All the permanent, contractual, part-time and guest faculty members are covered under this process. Students' of post-graduate and under graduate, having 75% class attendance, are only considered to be eligible to take part in this process; The secrecy relating to a student evaluator is maintained under the system and students can take part and complete the process without any hesitation and doubt; The feedback system is entirely completed under the supervision of IQAC for collecting, analysing data and reporting of the result; The result of the feedback is communicated to the respective faculty through Head of the Department or by personal email.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE #1

Title of the practice: GREEN CAMPUS INITIATIVES: The Gift of Green

Goal of the practice:

At Pandu College, we strive to create a model of education that is based on compassion and mindful living. The Green Campus initiative began with an objective of fostering a culture of eco-friendly practices and making the campus environmentally sustainable. We aim to build a campus that is plastic free,

pollution free, produces minimal waste, conserves energy, protects biodiversity and practices self-sustainability in areas of power, water and cleanliness. This is a collective endeavour of our students, staff and neighbouring community in an effort to recognize our place and responsibility on this planet.

The context:

Saving the environment from different corners of activities of human is the most urgent need of the hours. It is the responsibility of all the stakeholders of the society to check the pollution whether it is micro or macro amount. With the increase in population the quality of air, water and soil are degrading day by day due to different activities.

Increase in air pollution level due to use of private petro-diesel vehicles as well as burning of plastic materials, Thermocols, rubbers cause various types of lung related diseases and these activities will add the already increasing level of global warming.

The college has abundant plants and sunlight, it has become important to transform productively green waste and sunlight into sources of sustenance. Pandu College has been consistently working towards creating and maintaining an eco-friendly green campus.

The practices:

- To increase environmental awareness among students, staff of the college and among population in the vicinity of the college we encourage the uses of utensils made of ceramics or glass and steel.
- Efforts for carbon neutrality: The College has made arrangements for the parking of the vehicles of the students and staff near the entrance. The college is declared as NO TOACCO ZONE.
- It is our custom to facilitate any distinguished guest by offering sapling of flower or ornamental plant.
- Use of earthen pot and container is habitual for the college fraternity during any type of event.
- To minimize the environmental pollution in and around the college by using the following steps:
- Zero Plastic Zones: use of plastic bags is avoided in the college campus and the authority has declared the entire campus as 'zero plastic zone'. Teachers motivate the

students and staff to use cotton or jute bags and to avoid single used plastic.. The NSS have made it a regular practice of plastic eradication as a part of their extension activities.

- Landscaping with trees and plants: The NSS, The NCC, Eco club, Campus beautification committee planted several tree sapling during various tree plantation program. All these trees are taken care of and maintained by gardeners of the institution under continuous monitoring of beautification committee. Cutting trees on campus is strictly prohibited.
- Semi-micro scale analysis experiments in Chemistry Department: The department of chemistry is practicing micro scale and semi micro technique in chemistry practicals to reduce volume of solutions and less relies of hazardous gases and wastes.
- Vermicomposting is also in practice by Department of Biotechnology for disposing the wet waste from canteens, hostels and also biodegradable wastes. Vermi compose is used in green campus and a herbal garden. Blue and green covered dustbins are placed in the premises.

Evidence of success:

- Tree plantation drives are carried out annually.
- Organic manure is used in the garden obtained from Vermicomposting method.
- Cleanliness drive and awareness programme on single used plastic have been done by Botany department, NCC, NSS unit on Brahmaputra temple ghat.

Problems encountered and resources required:

Irresponsible society near the campus is the one of the root cause of the problems faced by the college authority in mitigating the cleanliness of the entire area. Land encroachment by the nearest community have done the worst for building projects like ornamental plant growth, ornamental fishery as well as to maintain a calm environment. Continuous massive awareness programme on effect of burning of plastic materials, throwing of garbages in wet lands and nearby river or drains as well as social consciousness will help to counter some of these problems for which a good number of conscious people are required from the community concerned.

BEST PRACTICE #2

Title of the Practice: DIGITALIZATION OF THE SYSTEM

Goal of the practice:

Pandu college has taken initiative to introduce digital system to ensure the less paper work in the office, library as well as in class room.

The college would like to improve the quality of the whole system so that lesser number of paper and thus to minimize the space required for keeping the records for the different activities:

Context:

Digitalisation has also transformed our ability to communicate, with numerous apps which allow us to send messages to each other immediately and in many different formats. For example, mentioning someone's name on a social media post or doing a video call.

We are also better able to communicate new ideas thanks to digitalisation, which helps them to spread more quickly. We no longer only have access to the thoughts of the wealthiest, most powerful members of society; anybody has the ability to get their message out there now.

The Practice:

1. Pandu College has been upgraded to digitalization in every nook and corner. The office assistants are trained with ICT and all the documentation processes are done in digital format.
2. Pandu College have its own app (for example Teachers' Panel) for communication with teachers and students. All notifications are shown through e-governance system of the app.
3. Leave of application for all types of leave are applied through faculty login system of the app.
4. Class routine of every class is displayed through class routine icon.
5. Students' attendance is taken digitally applying this app and the attendance of all the students can be monitored for every cause along with their subjects. Class notes and assignments are given through this portal. Assessment

report and online exam can be taken with the help of same portal.

6. Teaching daily classes are displayed in the logbook of the system.
7. Library of the college has been fully digitalized and every student and teachers have their QR code symbol for utilizing the library resources. There is also a dash board regularly students performance analysis in which the performances of the students can be analyzed.
8. Whole admission process is done smoothly by online process through which students' enrolment can be monitored along with list of honours and generic subjects.
9. CCTV Cameras are installed in almost all the class room and corridors for the safety and as well as proper functioning of the classes.

Evidence of success of digitalisation

1. Digitalisation save time and money
2. E-learning makes use of different platforms like pedagogue which provides interactive content.
3. Digital tools would help create circular economics radically reduce greenhouse gas emissions, promote renewable energies and monitor and protect ecosystems. Virtual spaces would enable communication and joint learning between people around the globe.

Problems encountered:

1. Participation of students in the Online Student Feedback is limited.
2. E-learning can cause social isolation.
3. Lack of communication skill development in online students.
4. Cheating prevention during online assessments is complicated.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

INSTITUTIONAL DISTINCTIVENESS

Inclusivity on campus and beyond is the priority and thrust area in which the college has been making strides. Pandu College, therefore, not only promotes inclusivity in principle but also implements inclusive education on the campus through various practices in teaching learning processes and co/extra-curricular activities. Inclusive education entails ease of access to the teaching-learning ecosystem, regardless of cognitive or disability challenges, and equal opportunities for holistic development among students of diverse capacities and different backgrounds. Pandu college tries to harmonize the five dimensions- physical, intellectual, ethical, social and cultural faculties of students entering its portals.

- Practices that promote inclusivity in campus and beyond are:
- Educational Practices
- Collaborative Practices

Furthermore, the college also works for strengthening the climate of inclusivity in college at all levels viz., environmental, economic and social, as the inclusivity should be cultivated in various dimensions.

1. Educational Practices

Classroom teaching and inclusivity - Educators implement evidence-based inclusive practices through multi-level instructions, multiple methods of assessment and modified outcomes in general education classrooms.

Students with disabilities are educated with non-disabled peers to the maximum extent appropriate. To manage disability challenges a special room is arranged for them with disable friendly washrooms.

Inclusive practices to facilitate learning - College take extra measures to address the learning abilities of every student and include peer mentoring, group discussions, and cooperative learning situations as inclusive classroom practice. Special

focus on slow learners and due attention is given to make them catch the pace of the class. ICT enabled teaching is imparted to keep pace with digital age. Audio Visual aids are applied to accelerate the learning process. Remedial classes for slow learners is another step to pull up the students lagging in their studies.

- Mentor-mentee meetings - Mentors are allotted to each student to discuss various problems faced by students at the academic and personal level. Individual departments maintain records of students living as paying guests and a meeting is convened time to time to discuss their problems.
- Collaborative Learning/Practices

Collaborative learning/practices are a set of teaching and learning strategies promoting student learning and experiences beyond curriculum. For this the college has organised different types of collaborative activities for student's overall development.

- MOU with other organisations - Pandu College has planned to sign various MOUs as collaborative practices with educators and organisations and in turn students receive research trainings, help in instructional planning, minimise curricular barriers and provide time to time guidance and counselling.
- Skill development programmes like tailoring training, training on food processing are also conducted for students in the College, which promotes the practices of inclusivity for economically poor students.
- The cultural component of the student's personality is sharpened by exposing them to various co-curricular activities organized by the college
- Brainstorming quiz/debate contests are conducted to test students' knowledge and appraisal capacity.
- Yoga classes and self defence training is also undertaken.
- A state of art Gymnasium is available for ensuring the fitness of boys and girls.
- Blood donation drive are regularly done by NSS unit.
