From the Desk of Principal...

I extend my warm welcome to the students who are seeking admission to Pandu College, an institution with a glorious legacy. This college is celebrating its diamond jubilee and all down the years, the focus of the college has always been to facilitate each student to reach their best potential. The members of the college faculty are extremely committed and together with the non-teaching staff every effort is made to ensure that while passing out, the students are adequately equipped to deal with life's challenges. My good wishes to the batch of 2023-24, to each one of you to achieve year career goals through your stint in Pandu College.

Dr. Chandana Sinha Roy
Principal (i/c)
Pandur College

THE COLLEGE

Pandu College, adjacent to the banks of the Brahmaputra River, is a premier Centre of learning in the northeast of India. Since the day of its establishment on 5th September, 1962, the college has been meeting the needs of thousands of students in the higher education arena. The college was established with the untiring efforts of great souls like Sri Deben Sarma, Sri S.K. Roy, Sri B.K. Mitra and Sri Satya Kinkar Sen to name a few and also the generosity and good wishes of the NF Railway Authorities. Fortunately at the initial stage, the N.F. Railway accorded permission to start classes in the vacated Netaji Vidyapeeth premises and also approved 99-year lease of 3.95 acres of railway land to set up the college.

Sri Satya Kinkar Sen sacrificed his job of Lecturer and HoD of English in the Handique Girls' College to launch the new venture as its founder Principal. The first admission notice to the Pre-University and Degree classes (night-shift) in the Arts and Commerce in the college was served on 30.11.1963. Within two years i.e. by 1965, the Science and Arts streams had become functional for both day and night shifts. Such was the dedication of the teachers that within a short span of time, Pandu College retained the distinction of being one of the most preferred institutions of higher education and learning. The honours courses were introduced phase-wise from 1967-68 and the college, in the meantime, was affiliated to Gauhati University.

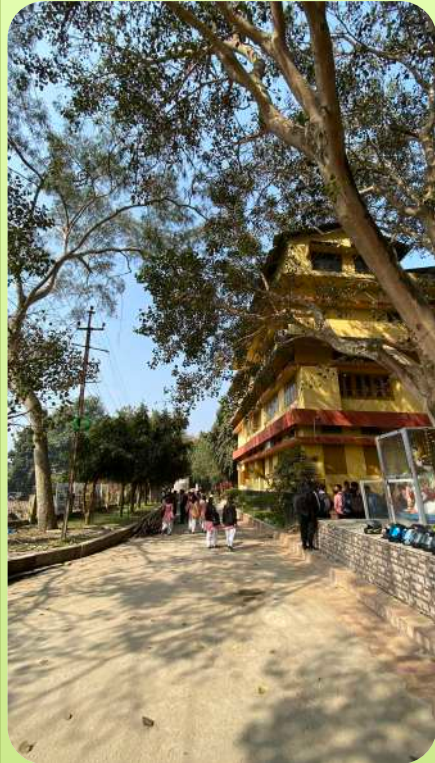

A host of dedicated teachers and efficient administrators have worked and are working continuously to enable Pandu College to attain its present position. By producing skilled human resources, the college has contributed immensely to all spheres of the state and the country.

Pandu College takes pride in the fact that its alumni are also contributing to the society by working in various positions of State and Central Government as well as in various colleges, universities and reputed research institutions in India and abroad.

Presently the college comprises 22 full-fledged departments spread over Arts, Commerce and Science disciplines. The college has well-equipped library with wireless internet connectivity and UGC INFLIBNET-NLIST e-journal browsing facility. In addition, each department has its own library from which books are regularly issued to the students. The other special features of the college are-separate Boys' and Girls' hostels, a gymnasium with various facilities and a canteen. Moreover, well-equipped laboratories are available for practical classes in the practical oriented courses. Apart from multiple degree courses, the college offers vocational courses in Computer Application and career oriented courses in Human Rights Education. The college has a Biotech-Hub granted by the DBT, Government of India, which started functioning in the year 2011.

The college offers regular P.G. courses under Gauhati University in the departments of Assamese, Education, Economics, Zoology, Geography, Political Science and History. The College also plans to introduce PG course in Botany, Mathematics and Chemistry and in other core subjects in the days to come.

Bearing in mind, the necessity of a healthy environment, the college was declared a tobacco-free zone. Yoga camps are organized by the NSS wing in the college and the NCC wing is at present fully active. Pandu College has been constantly executing governmental and in-house plans to enhance the scope of its educational initiatives. The college has grown in course of time tremendously in the last 5 decades and nurtures a dream of becoming a Centre of Excellence.

THE CAMPUS

Situated at the periphery of Nilachal Hills the Pandu College campus is extremely safe and congenial for students. It is located in an area surrounded by local communities who are closely related with the institution. It is surrounded by boundary walls and high raised gates with security guards at all entrances and exits. While entering the college premises it is mandatory for the students to wear college uniform and to carry valid identity cards issued by the college. Visitors are required to register their names and purpose of visit at the college gates to avoid entry of any unscrupulous individual to the campus. The College Administration has installed closed circuit cameras to keep a constant vigilance on the campus and to ensure security of the students. The infrastructural set up of the college is spread across different Buildings/Blocks as given below:

Administrative Building

The Administrative Building includes the Principal's Chamber, Office, Digital Classroom, Conference Hall, Girls' Common Room and some of the Academic Departments

Library Block

This block contains the Central Library, Biotech Hub, some of the Academic Departments, and Laboratories of some Science Departments.

Science Block

Hostels

The College has three full-fledged hostels in the vicinity of the campus for the convenience of students coming from remote areas. The Boys' hostel named as **Ambikagiri Roy Choudhury Boys' Hostel** can accommodate 60 students. There are 15 well furnished rooms having seat capacity of 4 boarders in each.

The two Girls' hostels namely **Chandraprabha Saikiani Women's Hostel** and **Mamoni Raisom Goswami Girls' Hostel** have a total of 98 seats. Boarders of the hostels can avail facilities such as medical care, yoga and meditation classes, library and wall-magazine, indoor games and community television. Keeping in mind the holistic growth of students, outdoor activities like city tour, educational tour and picnic are also arranged periodically. Attendance of boarders during daily roll calls followed by assembly prayer is compulsory. Boarders are under the purview of Hostel Supervision Committee, where the Hostel Superintendents are the coordinators.

The hostels maintain a policy of zero tolerance towards ragging and any form of harassment. Students from various parts of North East India take admission into the hostels thereby creating a space of cultural confluence. The Boys' and Girls' hostels of the college publish their wall magazines regularly. The Boys' Hostel publishes an annual magazine, *Nabarun* and the Girls' hostel publishes a wall magazine, *Sereki*.

Functioning of the Hostel

For the smooth functioning of the hostel there is a Hostel Supervision Committee, which looks after the different affairs of the hostel besides framing rules and regulations for both Boys and Girls' Hostel. The Principal of the college is the Chairperson and the superintendents of both Boys' and the Girls' Hostel as the convener. The other members include the former superintendents and senior faculty members of the college. The superintendent looks after the day-to-day affairs of the hostel with assistance from the monitors and other student office bearers of the hostels.
